Secret negotiations are going on between the National Socialists and the Communist Parties. The National Socialists seek to achieve the following objectives:

1. To get a greater share in leading positions in industry and in economic matters in general.
2. To get an open declaration by the Communists against strikes.
3. To compel the Communists to denounce terrorist actions by SNB, OBZ, and ZOB.
4. To forestall a further expansion of the nationalization program.
